

# BABEDINO – Lovely Baby Dino

## Token Distribution and Roadmap

### Token Distribution:

- **Private Sale:** 10% - Reserved for strategic investors to ensure long-term growth.
- **Public Sale:** 40% - Available to the community during launch, promoting accessibility.
- **Development:** 20% - Dedicated to ecosystem development, ensuring sustainability.
- **Marketing:** 15% - For branding, partnerships, and community outreach.
- **Rewards:** 10% - Distributed to loyal holders and contributors as incentives.
- **Reserve:** 5% - Held for unforeseen opportunities and needs.

### Roadmap:

#### 1. Phase 1: Conceptualization and Development

- Create the Lovely Baby Dino concept.
- Develop the token's smart contract and ecosystem.
- Establish partnerships with artists and developers.

#### 2. Phase 2: Community Building and Launch

- Launch a dedicated website and social media campaigns.
- Conduct private and public token sales.
- Introduce staking rewards for holders.

#### 3. Phase 3: Expansion and Utility

- Launch NFT collections featuring lovely baby dinosaurs.
- Develop a play-to-earn (P2E) game centered on baby dinosaur adventures.
- List the token on major decentralized exchanges (DEXs).

#### 4. **Phase 4: Long-Term Growth**

- Expand utility within the ecosystem.
- Enhance community rewards and partnerships.
- Continue evolving the BABEDINO brand to remain relevant and engaging.

Join Lovely Baby Dino Token and embark on an adventure filled with cuteness, innovation, and rewarding experiences!
